IHCC Women's Ministry

Count your blessings...

As women, we often assume many roles: wife, mother, coworker, teacher, doctor, counselor, friend, etc... At times, it may seem overwhelming as we seek to give our best in each of these roles. Taking time to pause and think about God's blessings in our lives will help to move the focus away from our temporary troubles or stress, and place it on those things that are the most important. We have many physical blessings, but **Ephesians 1** reminds us of our spiritual blessings as well. *"He chose us before creation; predestined us to be His children; He redeemed us; forgave us; and lavished his grace upon us"*. These are not promises for which we have to wait. May you find comfort in knowing that these are God's promises for you today, and may you find peace as you meditate on God's blessings in your life.
